# QUALITY

Circle F Staff are some of the best in the business; they come with knowledge and a true love for what they are doing each day. From our butchers, to our sales associates, they all strive to make your visit with us the best one yet! We welcome you to come shop with us and experience the difference.

"Circle F Meats is proud to serve top quality meat and seafood. We are a family owned and operated company in the heart of turpentine country also known as, Baxley, Ga. It is through our passion and love for agriculture that Circle F Meats evolved into what it is today. Woody and Tamela Folsom designed Circle F Meats with their community in mind, knowing they wanted to bring something unique and one of a kind to Appling County...and they did just that. While it was their dream to make this a place people loved to shop, it is because of the employees and customers that this is a one of a kind shopping experience. "We wanted this to be a one stop shop for families. When you walk in, you are able to get the entire meal without having to leave our store. But while you were here, you were able to do more than just shop...we wanted this to be an experience, not just a grocery store." - Woody

One thing that sets us apart from your typical butcher store is that we raise and sell our own beef. Circle F Meats began with a passion in the pasture. Woody loves all things agriculture, with beef cattle being a major part of that passion. Circle F Farms produces a good bit of the beef that we serve out of our store on a daily basis. We are proud to say that our beef is home grown, processed and sold! We believe in USA made products and we are proud to say we are "Georgia Grown" here at Circle F Meats.

# SPECIALIZE

While we specialize in meats and seafood...we also like to offer our customers a variety of items to complement any meal. We have an assortment of jams, jellies, pickles, rubs, candies, cakes and so much MORE. When you walk in the doors of Circle F Meats, you'll be greeted with treats from all over the state! We carry some of the best Georgia Grown products, and some of those "staple" items that we all grew up on.

When you shop with us, you're not only supporting our store, you're supporting families all across this great state! Stop and Shop with us today!
