WELCOME TO WESTFIELD

Welcome to The Westfield School! We are glad you are here, and we want to do everything possible to make your time with us an enjoyable one.

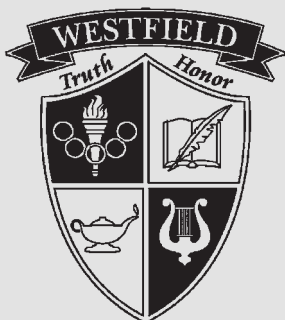

For more than fifty years, students, administration, faculty, staff, and the families of Westfield have joined together to celebrate athletic competition. Our athletic programs would not be successful without the tremendous support of our Westfield families and our community. Parent volunteers in the Westfield Booster Club and the Westfield Family Organization provide countless hours of time and talent for the benefit of our student athletes. Their efforts make a difference in the quality of our school and our athletic programs.

The accomplishments of our teams are a direct result of the leadership of the athletic department, the dedication and skill of the coaches, and the cooperation of the faculty, staff, and families who all work together to promote the athletic programs of Westfield. Our student athletes represent our school when they take the field and deserve our support and positive encouragement at each game.

Thank you to the individuals and businesses throughout our community who support our school. Their long-standing commitment to our school is greatly appreciated, and we encourage you to thank these supporters and to patronize their businesses.

I look forward to seeing you on our campus throughout the school year and to cheer on the Westfield Hornets!

Head of School

HORNET ATHLETICS

Dear Hornet Fans,

I am thrilled to extend a warm welcome to all of you to The Westfield School, Marvin Arrington Stadium at Ronnie Jones Field, and the Lady Hornets' softball complex. It is an honor and privilege to be entrusted with the role of athletic director here at Westfield. I am excited to work alongside each and every one of you to continue building upon the rich legacy of our program.

I want to emphasize that our primary focus is always on the holistic development of our student-athletes. While winning games is undoubtedly important, it is equally crucial that we prioritize their academic progress, character development, and overall well-being. Our goal is to foster an environment where our athletes can thrive not only as athletes, but also as responsible individuals who contribute positively to society.

I encourage all of you to actively participate in our athletic program and make the most of the opportunities it presents. Whether you are a player, parent, coach, or supporter, your involvement and support are crucial to the success of our program. I am confident that, with our collective efforts, we can continue to elevate our athletic program to new heights.

Thank you for your commitment to our athletic program. I look forward to a great year!

Go Hornets!

GRAYSON WALLER

My dear sweet, sweet boy,

We can't believe you're already a senior! It feels like just yesterday you were starting kindergarten. Even more so, when you were shouting your very first word, "baseball," from the rooftops. We're so proud of the amazing person you've become and all the hard work you've put in to get here. Enjoy every moment of your senior year. Make memories, have fun, and continue to chase your dreams. We know you'll do great things!

Love always,

WESTFIELD BOOSTER CLUB

THANK YOU FOR SUPPORTING WESTFIELD ATHLETICS AND THE WESTFIELD BOOSTER CLUB!

The Booster Club raises funds through sponsorships, Fall Sports Program advertising, concession sales during home athletic events, and fundraising events such as the Golf Tournament, Raffle, and Dove Shoot. These dollars provided funding toward numerous projects during the 2023-2024 school year including:

15-passenger bus

STATE CHAMPIONSHIP RINGS for our varsity softball team

new Adidas uniforms for various athletic teams

support of the Middle Georgia Sports Network for livestreaming of Westfield athletics

meals and travel for sports teams

banquets and awards for sport teams

support the maintenance of all athletic fields (top dressing, landscaping equipment, computerized field lining)

GIAA CODE OF GOOD BEHAVIOR

As a member of the Georgia Independent School Association (GISA) and the Georgia Independent Athletic Association (GIAA), The Westfield School abides by and fully supports the following Code of Good Behavior.

While the preponderant majority of schools, and all associated with each school, clearly and consistently exhibit appropriate sportsmanship year-in and year-out, it is incumbent upon each to continue to insure that all are aware and attempt to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities. Toward that end-goal, the Georgia Independent Athletic Association provides the following guidelines to help each school attain these goals, especially with respect to establishing norms of exemplary sportsmanlike behavior during all association events.

1. All school personnel (i.e. coaches, assistants, students, teachers, etc.) are expected to set a positive example of good sportsmanship by both their demeanor, personal example, and leadership at all times.
2. Each year (and more often, if necessary) students and all other fans (especially parents) should be informed what behavior is acceptable and that which is not acceptable during all competitive school events.
3. Every student athlete, coach, and official are to be treated with honor, dignity, and respect before, during, and after each athletic or literary event.
4. Fans (including students) are encouraged to cheer and applaud the accomplishments of their favorite team. (This can be done in so many wholesome ways without use of profanity or other improper language, harassment, gestures, or other actions which can cause embarrassment to the school.)
5. When the contest is over, it is over. Period. Any complaints must be filed according to the association rules and regulations.
6. It is the host school's responsibility to provide (and insure) that all participants, fans, and officials can attend any event in safety without undue or improper harassment, etc. from opposing school fans, police, etc.
7. Persons who do not behave properly (or who have violated this code or broken laws, etc.) are to be warned and asked to leave the premises. (In case of law violations, these matters need to be handled by the security personnel, taking appropriate action as may be deemed necessary.)
8. Ultimately, the school head is at all times (home and away) totally responsible and accountable for all actions of his/her teams, coaches, students, and fans. With proper leadership, all associated with the school are expected to know and exhibit good sportsmanship, proper acceptable behavior, and manners becoming a host or guest at any event.
